River of Grass Weekly Update – January 26, 2023

Church of the Larger Fellowship: Light of Liberation

“And let there be dark for it is from our dark places
that we are brought forward, tried, and tested...”

Sunday’s worship service comes from the Church of the Larger Fellowship. CLF is a congregation without walls, connecting people all over the world for spiritual growth, worship, learning, and mutual support. This Sunday, we will be exploring how we can advocate for all of our humanity. Prison abolition is an opportunity to look at racial inequities and dismantle those systems that foster racism, punishment, violence and control.

Come as you are – either in-person at the Old Davie Schoolhouse Heritage Hall or virtually on Zoom. We welcome you on Sunday morning at 10:30. Come a bit before and we can Chat prior to the service... We’ll be watching for you!

In person at:

- Our new Sunday morning rental space at the Old Davie Schoolhouse!
- 6650 Griffin Road, Davie, FL 33314 ([Click for Directions](#))
- Service will begin at **10:30 AM**

Faith Development - This Sunday in our Faith Development class for kids, we’ll continue exploring Finding our Center - this time through balance. When we are off-balance, we can be lost and confused, whether it's from spinning around, or not hearing our inner voice. When we find our center, we are balanced and are able to face hard

times with calm and courage, and know what we need to do to make the world a better place. For more information about our program, contact Karen Gonzalez at religiouseducator@riverofgrassuu.org.

Second Helping on Sunday:

Need a Second Helping? This Sunday, Our Faith Development Director, Karen Gonzalez and Worship Co-chair, Rita Cherubini will share information about big changes coming to our Association that will impact all of the good work we do. We hope you will join us at noon, upstairs to learn about the Study Commission's presentation to the UUA Board.

Article II of the Unitarian Universalist Association (UUA) Bylaws, Principles and Purposes, is the foundation for all of the work of our UUA and its member congregations and covenant communities. It is the covenant to which all of our congregations and covenant communities pledge themselves when they become members of our UUA.

Our current Principles and Purposes were last substantially revised in 1985. At General Assembly (GA) 2017, there was discussion of amending the Principles to add an 8th Principle, addressing racism, and an amended 1st Principle, addressing non-human life. The 5th Principle was the subject of a report in 2009, which dealt with the ways in which GA and other Unitarian Universalist (UU) gatherings do and don't embody an inclusive democratic process. The 7th Principle has also been the subject of discussions about possible amendments.

There have been many projects, resolutions, task forces and other strategies that have come from the Board, the Commission on Appraisal and grassroots groups which encourage us to take a look at our principles, purposes, bylaws and rules. It is time for us to review and make changes so that we are living into the Unitarian Universalism of the future, a Unitarian Universalism that holds us in times of great need and ethical, moral and spiritual crises. We are in one of those times now.

In response to those discussions, the UUA Board committed to establishing this Article II Study Commission to consider possible amendments to this Article.

Common Read March 26th at noon:

The UU Common Read builds community in our congregations and our movement by giving diverse people a shared focus for reflection and action. A Common Read can take us on a powerful faith journey into what it means to be human and accountable in a world filled with both pain and joy.

"Mistakes and Miracles" What lessons and inspiration can we find in *Mistakes and Miracles* to guide our striving for Beloved Community, today?

Common Read 2022-23: *Mistakes and Miracles* by Nancy Palmer Jones and Karin Lin

Co-authors Nancy Palmer Jones and Karin Lin—a white minister and a lay person of color—explored five UU congregations' journeys toward Beloved Community. Their book, *Mistakes and Miracles: Congregations on the Road to Multiculturalism*, shares the joy, disappointment, and growth these congregations found.

Today, Unitarian Universalists are grappling with a charge to dismantle white supremacy in ourselves, our communities, and our world. As we enter a Common Read of this book, many will bring a spirit ready to meet the urgent need for multiculturalism and antiracism work in our congregations and our movement.

Learn how UUs are building capacity to support and share the load in the face of mass arrest. Find out more about how to organize support for those who are arrested and jailed as a conscientious form of protest.

"Lessons in Chemistry" by Bonnie Garmus features the singular voice of Elizabeth Zott, a scientist whose career takes a detour when she becomes the star of a beloved TV cooking show. Chemist Elizabeth Zott is not your average woman. But it's the early 1960s and her all-male team at Hastings Research Institute takes a very unscientific view of equality. Except for one: Calvin Evans, the lonely, brilliant, Nobel Prize-nominated grudge holder who falls in love with—of all things—her mind. True chemistry results.
