WELCOME TO OUR RIVER OF GRASS FAMILY. WELCOME TO OUR WARMTH. WELCOME HOME!

River of Grass Weekly Update – April 1, 2021

Faith - What's in your Toolbox

We gather to learn, grow, share and build community every Sunday and then we go out into our separate lives. How do we carry that sense of community, that faith that we worked to create on Sunday morning, with us into our daily life?"

Singer/Songwriter [Mindy Simmons](#) has been serving Unitarian Universalist congregations since 2003 when she was introduced through SUUSI (Southeast Unitarian Universalist Summer Institute), by Rev. Amy Carol Webb and Brooke Bell. A UU ever since, Mindy has grown from musical guest to guest speaker through the years and now serves several UU congregations on a regular basis. Ever seeking, ever growing in her truth, Mindy seeks to share her experiences and perspectives in hopes to find like-mindedness amongst those with whom she shares. To continue to learn and grow through shared perspectives and sometimes, healthy debate. 😊

Come as you are to gather with us for this Sunday's love-streamed service, remembering only the medium is virtual; the connections, the love, the spirit are real. Following the service, we will share virtual Hospitality time with a live chat and small groups where we can relish each other's beautiful faces and voices together once again.

Follow the link below to join us in Zoom – or if you'd like, we'll be simulcasting on our [Facebook page](#). Tune in there for the service, then log onto our Zoom link for hospitality time afterward.

We'll be watching for you!

Faith Development: Family Vespers 5:00pm

On this Easter Sunday, our families will gather for a Vespers service to honor our 2nd Principle and 3rd Source. We'll learn about the prophet, Jesus and his work to bring equity, justice and compassion to all people. We continue to be inspired by his message, so we'll lift up his story on this holy Christian day, as we begin a month of "being people of Becoming". What can we become when we let go of old ways of thinking? Join us for story, song and spirit at 5:00pm at this link. <https://us02web.zoom.us/j/88170959773?pwd=WUxFSkFXT25ibTILL2hFS2tOcU05dz09>. Rev. Amy's sabbatical:

Rev. Amy's sabbatical began on Saturday, March 13, 2021, and will end on Sunday, May 9, 2021. She will be back with us for the Annual Meeting on May 9th, and back in the pulpit on May 16th. For more information about her sabbatical, please read the information that Rev. Amy prepared. It is listed on our website: [Rev. Amy's Sabbatical Page](#).

The River of Grass Annual Pledge Drive (APD) ends on April 11th. We are nearing the final stretch of the River of Grass Annual Pledge Drive (APD) where we generate over 80% of the total annual operating income for next fiscal year. We have generated over \$148K in pledges or almost ¾ of what we need to operate next year with a balanced budget. Members of our stewardship team will be checking in soon with those who have not pledged yet.

We sustain the mission and operations of our beloved community mostly through the two P's. If you are a new member, then you are most familiar with our weekly request for financial support through the first "P", i.e., the "Plate" of which ½ goes to support our operations and the other ½ goes to one of our real connections to the community through direct support of LifeNet4Families of Broward County. The funds from your generosity to the "Plate" is usually about 3% of our real income each year. On the other hand, once a year we do our most critical fund-raising for the operating income for the next fiscal year for the River via the second "P", i.e., the annual "Pledge" drive.

You can commit to your pledge by going to our website at <https://riverofgrassuu.org> scrolling down the homepage until you see the 2021-2022 Annual Budget Drive notification link "[2021-2022 Pledge Card](#)". Click on the link and then just fill in the blanks of the "River of Grass UU Congregation 2021-2022 Pledge Form" and Click "Submit". It is that easy! Save postage and a trip to the post office! Otherwise, please fill out the enclosed form that you as a member should have recently received in the mail with an Annual Pledge Drive brochure.

Your financial contribution is essential to helping us to continue to love River of Grass into being. We are tremendously grateful for your current and past support for our Beloved Community!

How well do you know your UUs:

Arthur Joseph Altmeyer was the United States Commissioner for Social Security from 1946 to 1953, and chairman of the Social Security Board from 1937 to 1946. He was a key figure in the design and implementation of the U.S. Social Security system.

In June, 1934, Altmeyer, acting upon instructions from President Franklin Delano Roosevelt, Secretary Perkins drafted the president Executive Order 6757, which provided for creation of a Committee on Economic Security, which became the Social Security Act of 1935.

Altmeyer was the principal advocate for changes to the Social Security Act in 1939. He advocated for broadening the program from a personal retirement program to a family social insurance program, one that protected family dependents in the cases of death or disability and to care for families with dependent children.

Even while emphasizing the efficient and non-partisan administration of the Social Security Administration, Altmeyer continued to speak out for policies that he believed in. This sentence from a speech in 1943 summarizes his view:

"I believe that we should be thinking in terms of developing for this country a unified comprehensive system of contributory social insurance which would cover all of the major economic hazards to which the workers of this country are subjected, namely, old age, disability, death, and unemployment."

bUUKies Are Hearing Things! Well, we’re hearing the poems as we read them aloud. April is National Poetry Month, and we are reading “An American Sunrise” by Joy Harjo. Not only is Ms. Harjo the United States Poet Laureate (the first Native American for this) but an accomplished teacher, musician and activist. Her stage performances of her poetry include story-telling and music – she plays several instruments with her band Arrow Dynamics: (<https://www.youtube.com/watch?v=HilJFRXxa3o>). We’ll discuss and read our favorite poems out of the book **on Wednesday, Apr 14th at 7:00 pm**. Send an email to bUUKies@riverofgrassuu.org to get a Zoom invitation. All are welcome!

MEETINGS IN THE TIME OF COVID

RIVER OF GRASS COVID-19 TEAM RECOMMENDATIONS TO THE BOARD: February 2021

Small Group Meeting COVID Requirements

The CDC has released guidelines which allow meetings of fully-vaccinated** people. <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

In accordance with these guidelines, Official River of Grass meeting protocols have been updated to reflect the differences in the make-up of meeting attendees. **People are considered fully vaccinated for COVID-19 ≥ 2 weeks after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna), or ≥ 2 weeks after they have received a single-dose vaccine (Johnson and Johnson (J&J)/Janssen). This meeting protocol has been developed and can be found on our web (RiverofGrassUU.org/teams-committees--small-groups.html). Contact Susan Juncosa at vicepresident@riverofgrassuu.org for more information.

COVID-19 Response Update

Our River of Grass faithful is actively responding to COVID-19. Any face-to-face gatherings of any kind must follow the new small group protocols that were recommended to the Board by the COVID Re-Emergence Team. Otherwise, all gatherings are suspended or moved on-line, while we search for our forever home, continue to keep ourselves and our community safe, and prepare for congregational life after COVID.

We are grateful that many many members and friends are in self-quarantine, doing their part to protect themselves as well as reduce the spread of the virus, and only venturing outside when absolutely necessary.

Our extended Caring Team has coordinated a 'network of contact' to help ensure our community has communication and is cared for..... and our Covenant Groups are a large part of this.

There is deep gratitude for the way our community cares for each other, remains flexible, and is diligent in responding to this unprecedented situation!

Take a deep breath. Allow any feelings and thoughts to be as they are. Know you are supported. Stay safe!

Basic Protective Measures Against Coronavirus

Your leadership at River of Grass are taking every precaution against coronavirus here at River of Grass and in the wider community we share. River of Grass is adhering to the following recommendations from the World Health Organizations.

Stay aware of the latest information on the COVID-19 outbreak. Most people who become infected experience mild illness and recover, but it can be more severe for others. Be aware of those in our midst with compromised immune systems.

Take care of your health and protect others by doing the following:

1. Regularly and thoroughly CLEAN YOUR HANDS with an alcohol-based hand-rub or washing with soap and water, especially – after coughing/sneezing; when caring for the sick; before, during, and after you prepare food; before eating; after toilet use; when hands are visibly dirty – and when they are not; after handling animals or animal waste.
2. Maintain social distancing – 6 feet between yourself and anyone.
3. Even if well, try to maintain a distance of 6 feet from others and when greeting, instead of elbow and fist bumps (no handshakes or hugs), consider placing your hand over your heart as a gesture of welcome and hello.
4. Avoid touching eyes, nose, and mouth to avoid transfer of viruses from contaminated surfaces.
5. Practice respiratory hygiene: 1) Cough/sneeze into your elbow, 2) If you use tissues, dispose of them immediately, then clean your hands.
6. If you have fever, cough, and difficulty breathing, seek medical care promptly.
7. If you feel unwell, stay home, even with mild symptoms like headache and runny nose.
8. Stay informed, and follow any guidelines from your healthcare advisor.

How to cope with stress during this coronavirus outbreak:

1. It is normal to feel sad, stressed, confused, scared, or angry during any crisis.
2. Talk to people you trust, and contact your friends and family.
3. If you must stay home, maintain a healthy lifestyle with proper diet, sleep, exercise, and social contact with loved ones via email, phone, etc.
4. Avoid smoking or using alcohol and other drugs to deal with your emotions.
5. Get the facts from credible sources such as the Center for Disease Control, World Health Organization, or local/state health agencies.
6. Limit worry and agitation through lessening time you spend watching media and the internet.
7. Draw on coping skills that have helped you in the past.
8. If you feel overwhelmed, talk to a health worker or counsellor, and have a plan to seek help for physical and mental health needs if required.
