River of Grass Weekly Update – April 22, 2021

Annual Poetry Service

Join us for our annual Poetry Service where members will present favorites and their own creations--- exploring our truth, acknowledging our faults and celebrating our blessings. Our Wisdom Story will feature the “Velveteen Rabbit”. We hope to see you there!

Come as you are to gather with us for this Sunday’s love-streamed service, remembering only the medium is virtual; the connections, the love, the spirit are real. Following the service, we will share virtual Hospitality time with a live chat and small groups where we can relish each other’s beautiful faces and voices together once again.

Follow the link below to join us in Zoom – or if you’d like, we’ll be simulcasting on our [Facebook page](#). Tune in there for the service, then log onto our Zoom link for hospitality time afterward.

We’ll be watching for you!

Who are we becoming as we grow up? It’s normal for human beings to want to control and know their future, and yet we can only control the future so much. Sometimes the answer will be hazy, and we have to trust. So, this

Sunday our children and youth will be asked to “Predict the future as best you can but be open and trust what unfolds.” We’ll play with some “magic 8 balls” and listen to a visitor share their life’s story. If you’d like more information about our Faith Development program for children and youth, contact our Director, Karen Gonzalez at ReligiouEducator@RiverOfGrassUU.org.

Lesbian Visibility Day - April 26, 2021:

Lesbian Visibility Day aims to show our solidarity with every woman within the LGBTQI community. Recent research has shown that gay women are almost twice as unlikely to be out in their workplace as gay male colleagues. There has been a Lesbian Visibility Day since 2008. This day recognizes, celebrates and importantly supports lesbian, bisexual, transgender and queer women to be their true selves at work, at home and socially.

Small Group Meeting COVID Requirements

The CDC has released guidelines which allow meetings of fully-vaccinated** people. <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

In accordance with these guidelines, Official River of Grass meeting protocols have been updated to reflect the differences in the make-up of meeting attendees. **People are considered fully vaccinated for COVID-19 ≥ 2 weeks after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna), or ≥ 2 weeks after they have received a single-dose vaccine (Johnson and Johnson (J&J)/Janssen). This meeting protocol has been developed and can be found on our web (RiverofGrassUU.org/teams-committees--small-groups.html). Contact Susan Juncosa at vicepresident@riverofgrassuu.org for more information.

COVID-19 Response Update

Our River of Grass faithful is actively responding to COVID-19. Any face-to-face gatherings of any kind must follow the new small group protocols that were recommended to the Board by the COVID Re-Emergence Team. Otherwise, all gatherings are suspended or moved on-line, while we search for our forever home, continue to keep ourselves and our community safe, and prepare for congregational life after COVID.

We are grateful that many many members and friends are in self-quarantine, doing their part to protect themselves as well as reduce the spread of the virus, and only venturing outside when absolutely necessary.

Our extended Caring Team has coordinated a 'network of contact' to help ensure our community has communication and is cared for..... and our Covenant Groups are a large part of this.

There is deep gratitude for the way our community cares for each other, remains flexible, and is diligent in responding to this unprecedented situation!

Take a deep breath. Allow any feelings and thoughts to be as they are. Know you are supported. Stay safe!

Basic Protective Measures Against Coronavirus

Your leadership at River of Grass are taking every precaution against coronavirus here at River of Grass and in the wider community we share. River of Grass is adhering to the following recommendations from the World Health Organizations.

Stay aware of the latest information on the COVID-19 outbreak. Most people who become infected experience mild illness and recover, but it can be more severe for others. Be aware of those in our midst with compromised immune systems.

Take care of your health and protect others by doing the following:

1. Regularly and thoroughly CLEAN YOUR HANDS with an alcohol-based hand-rub or washing with soap and water, especially – after coughing/sneezing; when caring for the sick; before, during, and after you prepare food; before eating; after toilet use; when hands are visibly dirty – and when they are not; after handling animals or animal waste.
2. Maintain social distancing – 6 feet between yourself and anyone.
3. Even if well, try to maintain a distance of 6 feet from others and when greeting, instead of elbow and fist bumps (no handshakes or hugs), consider placing your hand over your heart as a gesture of welcome and hello.
4. Avoid touching eyes, nose, and mouth to avoid transfer of viruses from contaminated surfaces.

5. Practice respiratory hygiene: 1) Cough/sneeze into your elbow, 2) If you use tissues, dispose of them immediately, then clean your hands.
6. If you have fever, cough, and difficulty breathing, seek medical care promptly.
7. If you feel unwell, stay home, even with mild symptoms like headache and runny nose.
8. Stay informed, and follow any guidelines from your healthcare advisor.

How to cope with stress during this coronavirus outbreak:

1. It is normal to feel sad, stressed, confused, scared, or angry during any crisis.
2. Talk to people you trust, and contact your friends and family.
3. If you must stay home, maintain a healthy lifestyle with proper diet, sleep, exercise, and social contact with loved ones via email, phone, etc.
4. Avoid smoking or using alcohol and other drugs to deal with your emotions.
5. Get the facts from credible sources such as the Center for Disease Control, World Health Organization, or local/state health agencies.
6. Limit worry and agitation through lessening time you spend watching media and the internet.
7. Draw on coping skills that have helped you in the past.
8. If you feel overwhelmed, talk to a health worker or counsellor, and have a plan to seek help for physical and mental health needs if required.
