WELCOME TO OUR RIVER OF GRASS FAMILY. WELCOME TO OUR WARMTH. WELCOME HOME!

River of Grass Weekly Update – August 25, 2022

This summer we are excited to be offering a way for our members and friends to explore the variety of experiences that our UU faith has to offer and to meet other amazing congregations and ministers that Rev. Amy admires and wants us to get to know. Thanks to technology, we can visit congregations all across the country from our couch! This will also give our own volunteers a much needed break. We have put together a list of congregations that we can join each Sunday that is posted with the links on our website. Find it at <https://riverofgrassuu.org/index.html>. This will run from July 3rd to August 28th. This final Summer **Sunday August 28th, we will journey to the Church of the Larger Fellowship at 8:00 PM;** RSVP for the Zoom link at:

At 12:00 noon, Kathy Jens-Rochow will host a "**Sunday Noon Zoom Get-together**" from 12:00 to 1:30 so we all can meet, greet and feel connected! Grab your favorite beverage and join us! Join Zoom Meeting: <https://zoom.us/j/96108106093>; Meeting ID: 961 0810 6093.

GIVING

Even as we focus our attention away from our own congregation, on travel and visiting other UU congregations, and just taking a rest, we still need your contributions to sustain and strengthen this beloved community and its mission in our world. Each Sunday half of our undesignated offerings go to LifeNet4Families, which provides hot meals 365 days a year as well as clothing and support here in Broward county. The other half supports the mission and ministry at River of Grass.

To give, please go to: [Our Donation Page](#)

or Text to Donate at 844-948-1153

Simply text an amount (no dollar sign needed) on your smartphone, and the key word "plate" to the number above, example: 10.00 plate. Please give generously and joyfully so that we may feed and fortify this congregation and its good work in the world that needs it, now more than ever.

SSJGT, Service and Social Justice Green Team, Green Tip of the Week: *Insulate your water heater. Wrap the tank with an exterior insulation kit and insulate exposed pipes. It will reduce electricity costs and save money. Also consider installing a solar water heater. This alone may cut your electric bill by a third or more - saving electricity and saving you money!*
