River of Grass Weekly Update – August 31, 2023

The Work at Hand: Labor, Love, Legacy

*To make a great dream come true,
the first requirement is a great capacity to dream;
the second is persistence. - César Chávez*

As is our tradition at River of Grass, we open our new Congregational Year with Labor Day Sunday -- honoring those who turn the wheels that make our world go, indeed the ones who actually make those wheels in the first place! We'll take a look at the role of love in work -- and work in love -- and consider the legacy of labor we inherit and in turn offer to coming generations, with the work at hand in our time.

Come as you are – either in-person at the Old Davie Schoolhouse Auditorium or virtually on Zoom. We welcome you on Sunday morning at 10:30. Come a bit before and we can Chat prior to the service... We'll be watching for you!

Faith Development for Kids and Youth

We are so excited to see our friends again this Sunday! Join us in worship first, before we head downstairs to celebrate Labor Day early with some old-fashioned games and plenty of time for reconnecting. Our nursery attendant, Marimar will be back to play with our littlest ones in our new nursery nook. We've decided to move our

Backpack Blessing Tag Ceremony to Sept. 10th to accommodate any families who may be away for the Labor Day holiday. For more information about our children's programs, contact our Director, Karen Gonzalez at religiouseducator@riverofgrassuu.org.

A new school year of

River of Grass is joining BOLD Justice [Broward Organized Leaders Doing Justice] <https://boldjustice.org/>

It is an interfaith interracial group that addresses community justice issues. From different racial, ethnic and religious backgrounds, BOLD Justice is a direct action organization that holds community leaders accountable to solve serious community problems that affect Broward County.

One of BOLD Justice's successes is to divert the Broward Sheriff Department to issue juvenile Civil Citations instead of arrests. This expansion of Civil Citations has resulted in 31,000 fewer children arrested in the county.

Each year BOLD Justice engages in a process that distills input from its congregations down to one problem that BOLD Justice acts on. It starts in the fall when congregations engage in a listening campaign. Leaders host small group meetings in their homes to hear stories about community problems that are impacting the lives of congregational members. These house meetings give you a chance to share what you are worried about.

Sunday after service you will be able to show your interest in these house meetings.

Together we stand BOLD for Justice. If you have any questions please reach out to Steve Jens-Rochow at ssigt@riverofgrassuu.org.

MUUVies for Change September viewing is "The Green Book" Director: [Peter Farrelly](#)

It is a drama set in the 1960s about a racist Italian American man ([Viggo Mortensen](#)) who takes a temporary job chauffeuring an acclaimed black pianist ([Mahershala Ali](#)) during his concert tour of the Midwest and Deep South. It explores how the two men had to abide by the titular Green Book, a "traveling while black" guide to restaurants and accommodations that showed blacks in the '60s where they could go. The film's messages about empathy and the danger of prejudice and stereotypes are important and thought-provoking. And the story is a timely reminder of how, just a few decades ago, there were whole parts of the country where segregation kept African Americans from fully participating in civic life. Available on [Amazon](#).

MUUVies for Change will discuss "The Green Book" on **Wednesday, September 13th at 7:00 PM**. Please reply to Steve Jens-Rochow muuvies@riverofgrassuu.org if you will attend the Discussion. The authors have a knack for introducing readers to undersung ambitious women in history. They shine a light on the extraordinary friendship between First Lady Eleanor Roosevelt, white, privileged, and a Democrat, and Mary McLeod Bethune, a Black Republican woman who was born of formerly enslaved parents. Over the years, Eleanor and Mary forge an unshakeable bond, supporting each other through personal struggles with marital infidelity, illness, loss, and love. This novel is a brilliant illustration of the strength of two trailblazing women who cross race and class and hold hands through tragedy and triumph.
