## River of Grass Weekly Update – November 11, 2021

### CHURCH AND STATE

While Rev. Amy Carol Webb is on Sabbatical, Rev. Sarah Skochko will join us as a visiting guest speaker this Sunday, Nov 7<sup>th</sup>. Rev. Sarah was born and raised in South Jersey. She attended Meadville Lombard Theological School and now lives in Austin, TX, where she serves as a hospital chaplain.

Her message on Sunday discusses what the official role of churches in society is now. It has changed throughout American history and continues to change. Ostensibly, we are now a nation with a separation of church and state - but as religious people, we occupy both worlds. As people of faith, what relationship should we have to the government of our country?

Please join us on Sunday at 10:30 am or a little before to chat and reconcile our thinking on this delicate balance.

Join us as you are from wherever you are in Zoom or on FaceBook live for both our service, and Hospitality in Zoom following the service. (If you tune in on Facebook, c'mon over to Hospitality at the link below!). We can't wait to see you!

Capital Campaign  
For our Future Home

**Drive to the Finish: Capital Campaign** - Our Future Home Search Team is diligently looking for our new home. There are many ways we can go, either find an existing church, find a building we can use and build out to suit our needs, or even purchase property and build our church ourselves.

We need your help in order to be better prepared when the right opportunity presents itself. Those of you who made your pledge during our campaign last fall, thank you for your commitment. We have received about 65% of the total amount pledged. And a matching gift of \$25,000. In order to get a handle on our finances, we would like to know when you plan to complete your contribution.

With gratitude and hope, Your Capital Campaign Team. ## ***COVID-19 Response Update***

Our River of Grass faithful is actively responding to COVID-19. Any face-to-face gatherings of any kind must follow the new small group protocols that were recommended to the Board by the COVID Re-Emergence Team. Otherwise, all gatherings are suspended or moved on-line, while we search for our forever home, continue to keep ourselves and our community safe, and prepare for congregational life after COVID.

We are grateful that many many members and friends are in self-quarantine, doing their part to protect themselves as well as reduce the spread of the virus, and only venturing outside when absolutely necessary.

Our extended Caring Team has coordinated a 'network of contact' to help ensure our community has communication and is cared for..... and our Covenant Groups are a large part of this.

There is deep gratitude for the way our community cares for each other, remains flexible, and is diligent in responding to this unprecedented situation!

Take a deep breath. Allow any feelings and thoughts to be as they are. Know you are supported. Stay safe!

## ***Basic Protective Measures Against Coronavirus***

Your leadership at River of Grass are taking every precaution against coronavirus here at River of Grass and in the wider community we share. River of Grass is adhering to the following recommendations from the World Health Organizations.

Stay aware of the latest information on the COVID-19 outbreak. Most people who become infected experience mild illness and recover, but it can be more severe for others. Be aware of those in our midst with compromised immune systems.

### **Take care of your health and protect others by doing the following:**

1. Regularly and thoroughly CLEAN YOUR HANDS with an alcohol-based hand-rub or washing with soap and water, especially – after coughing/sneezing; when caring for the sick; before, during, and after you prepare food; before eating; after toilet use; when hands are visibly dirty – and when they are not; after handling animals or animal waste.
2. Maintain social distancing – 6 feet between yourself and anyone.
3. Even if well, try to maintain a distance of 6 feet from others and when greeting, instead of elbow and fist bumps (no handshakes or hugs), consider placing your hand over your heart as a gesture of welcome and hello.
4. Avoid touching eyes, nose, and mouth to avoid transfer of viruses from contaminated surfaces.
5. Practice respiratory hygiene: 1) Cough/sneeze into your elbow, 2) If you use tissues, dispose of them immediately, then clean your hands.
6. If you have fever, cough, and difficulty breathing, seek medical care promptly.
7. If you feel unwell, stay home, even with mild symptoms like headache and runny nose.
8. Stay informed, and follow any guidelines from your healthcare advisor.

### **How to cope with stress during this coronavirus outbreak:**

1. It is normal to feel sad, stressed, confused, scared, or angry during any crisis.
2. Talk to people you trust, and contact your friends and family.
3. If you must stay home, maintain a healthy lifestyle with proper diet, sleep, exercise, and social contact with loved ones via email, phone, etc.
4. Avoid smoking or using alcohol and other drugs to deal with your emotions.
5. Get the facts from credible sources such as the Center for Disease Control, World Health Organization, or local/state health agencies.
6. Limit worry and agitation through lessening time you spend watching media and the internet.
7. Draw on coping skills that have helped you in the past.
8. If you feel overwhelmed, talk to a health worker or counsellor, and have a plan to seek help for physical and mental health needs if required.
