Summer Fun Program: All Ages 12:30 pm

This Sunday, we'll meet "sea creatures in disguise" during our Summer Fun Under the Sea virtual children's fellowship. Some marine animals have amazing camouflage, including the ability to change colors, to help them hunt for food, protect themselves and blend into their environments. Researchers, in fact, are looking at sea animals like the octopus for clues about how people could better use camouflage techniques. We'll watch a video and make sea creature camouflage collages. Parents will receive an email with a list of needed supplies for our lesson and Zoom information. New families are welcome. If you need the Zoom info, or have any questions, please email: faithdevelopment@riverofgrassuu.org. (Summer Fun will be held at 12:30 pm every Sunday through Aug 29th. ACTS School Supply Drive - This year we're doing something different to save you time; we are having a non-event event for ACTS. Instead of buying school supplies for the summertime ACTS [Agency for Community Treatment Services] drive, Connie Ridgely, the Regional Coordinator of Broward ACTS, suggested that we donate money to them. This way ACTS can purchase directly the school supplies that the teen foster girls in their support program need the most. So we do not have a list of supplies this year.

You can send in your donations electronically. Please click on the following link that takes you to our website's donation page: [River of Grass - Vanco donation page](#) and fill in an amount on the Special Collection line. This will go to ACTS. Or you can mail a check payable to River of Grass with ACTS in the memo line -- send the check to River of Grass, 3225 North Hiatus Road, Unit 452485, Sunrise, FL 33345. **The first day of school is Aug 18th so please get your donation in by Aug 8th.** If you have any questions, please send an email to SSJGT@riverofgrassuu.org.

River of Grass Unitarian Universalist Congregation: Minister's Annual Report 2021

Rev. Amy Carol Webb -- June 30, 2021

We Did That!

Beloveds, this was one for the ages.

This is the year we navigated a deadly pandemic for twelve solid months, with emergence only now coming on a nearer but uncertain horizon. This is the year we look back and say – “we did that!”

This is the year we realize all our systems, our thinking, our identity as a congregation, our patience, our resilience, our ingenuity, and our determination to build Beloved of Community against all odds were challenged in every way -- and say “we did that!”

This is the year we review 52 consecutive superior Virtual Worship services that reached people across the United States and across the sea -- and say, “we did that!”

This is the year we remember, more than a little astonished, that we did our sacred Christmas Eve candle lighting across the world over zoom – and that you pulled together to do it under emergency circumstances when your minister fell to pneumonia in the wee hours the night before – and say, “we did that!”

This is the year we marvel at learning to make technology serve us and our work in this world in ways only necessity can teach with Tech wizards among who declared “we can do that!” -- and say, “we did that!”

This is the year we kept one another and our community safe through a pandemic virus ravaging the world in every way, with a Caring Group second to none tending us in body and in spirit, as we comforted one another in loss and grieved together while we also realize that we lost not member of this congregation to this virus – and say, “we did that.”

This is the year we cheer our Faith Development leaders and families keeping together with every conceivable celebration and milestone shared by every possible means -- and say, “we did that!”

This is the year we watched a crew move us out of our building and our stuff into storage, as we set up all operations in staff and volunteer homes, with our Office Admin running our office while COVID-schooling kids without missing a beat and – and say, “we did that!”

This is the year we cultivated new ways to make justice and live love into our world, joining with justice seekers across our faith movement to get out an historic vote in these United States -- and say, “we did that!”

This is the year we saw the veils pulled back from our systems and institutions under reckoning and began to realize our own accountability as a faith and as a congregation and deepened our resolve to build the world we dream of – and say, “we did that!”

This is the year we brought the budget aright – again – and raised substantial money toward a forever home, in the midst of global pandemic, even as the future looms large and uncertain -- and say, “we did that!”

This is the year we set out for a new home and found more virtue in patience and determination under the most difficult of scenarios, only to learn again that “not yet” does not mean “never,” and adjusted our expectations while still aiming for the dream -- and say, “we did that!”

This is the year we looked every challenge in the face and found again that we not only survive but thrive when we keep our vision and mission before us, our principles grounding us, and our community surrounding us – and say, “we did that!”

This is the year we more deeply understood that “thrive” does not mean ignoring our need for rest and respite for the flesh and for the spirit, that when we feel it’s all too much it likely is, that we are not alone, and that asking for help is its own heroism – and say, “We did that!”

Whatever may come in the days and years ahead for this beloved River of Grass Unitarian Universalist Congregation, let the generations beyond us look back on our time and say we met this historic year bound together with courage, driven by hope, and anchored in love as we served this great faith to build a new way for a new day.

Beloveds, this was one for the ages. We did that!

Shine on!

Rev. Amy

SSJGT, Service and Social Justice Green Team, Green Tip of the Week: Purchase energy efficient appliances. When it's time for a new TV, fridge, dishwasher, washer, dryer or AC, look for the Energy Star (r) rating. It ensures an energy efficient green product. Even if it cost more up front, it will save money on your electric bill, reducing the pollution created to provide electricity to your home.

Drive to the Finish: Capital Campaign - The Future Home teams have estimated we will need \$2-2.2 million to purchase the property, renovate, and furnish our new home when we find it. As your Capital Campaign Team members look for creative ways to reach that objective, we have launched a Drive to the Finish to reduce the amount we will need to finance. *Great news! Any new or increased pledge of \$3,000 or more will be doubled by an anonymous donor.* Go to our website, riverofgrassuu.org, scroll down to the Drive to the Finish information and [click on the link to make your pledge](#). MEETINGS IN THE TIME OF COVID

RIVER OF GRASS COVID-19 TEAM RECOMMENDATIONS TO THE BOARD: February 2021 Meetings in the Time of the COVID

The CDC has released guidelines which allow meetings of fully-vaccinated** people. <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

In accordance with these guidelines, Official River of Grass meeting protocols have been updated to reflect the differences in the make-up of meeting attendees. **People are considered fully vaccinated for COVID-19 ≥2 weeks after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna), or ≥2 weeks after they have received a single-dose vaccine (Johnson and Johnson (J&J)/Janssen). This meeting protocol has been developed and can be found on our web (RiverofGrassUU.org/teams-committees--small-groups.html). Contact Susan Juncosa at vicepresident@riverofgrassuu.org for more information.
