Faith Development: Dragonflies **9:30am**; Teens **12:00pm**; Mockingbirds **1:30pm**

On **Oct 10th**, the children and youth in our Faith Development program will focus on the skills of Listening and Communicating. Children will need to bring their bags of **building bricks** to class for a fun listening activity! We'll learn that listening is actually a skill that gets better with practice, along with the skill of clearly communicating your needs. Our principle of inherent worth clearly calls us to develop that skill of sticking up for ourselves and being bold about our truths. So when it comes to Cultivating Relationships, our faith clearly tells us, "Listen to others and don't be shy about expecting others to listen to you." If you'd like further information about our FD program, contact Karen Gonzalez at religiouseducator@riverofgrassuu.org.

Young Adults are now meeting on the 2nd Sundays, at 7:30 pm virtually on Zoom – Millennials, Gen Xers, and Gen Zs, are welcome to tune in to the YUUnG Adult Virtual Coffee Hour on **Sunday, Oct 10th at 7:30 pm**. Our group's purpose is to foster an inclusive, diverse and intentional community that inspires spiritual growth and connection. Please email youngadults@riverofgrassuu.org if you have any questions and to obtain the zoom details.

Heritage & Hope:

Heritage - Abner Kneeland (April 7, 1774 – August 27, 1844) was an American evangelist and theologian who advocated views on women's rights, racial equality, and religious skepticism that were radical for his day. Due to provocative statements he published, Massachusetts convicted Kneeland under its rarely used blasphemy law. Kneeland was the last man in the United States jailed for blasphemy.

Kneeland disdained societal mores, preferring naturalistic and personal quests for truth. He believed in equal treatment for all people, both under the law as well as by society. Kneeland applied this even when religious scripture would seem to indicate different roles. This included support of such controversial ideas as divorce rights for women, married women keeping their own names and property, and refusal to condemn miscegenation (now known as interracial marriage). Kneeland was also in favor of birth control.

Hope - ***WE Are the Revolution***. At the 2015 GA, the Youth Caucus experienced an emotional speech from an African American activist. She had lost people she loves and yearns for justice in Ferguson and everywhere else. We marched into an

intersection as a silent human wall. We gripped hands as shouting began and crowds gathered. Volunteers laid in the center of the street for four and a half minutes to symbolize the four and half hours Michael Brown lay on the street of Ferguson. After this experience, feelings of empowerment, sadness, anger, and commitment washed over us. The words “Black Lives Matter” were shouted from our collective voice, bouncing through the hallways.

October is LGBTQ History Month: LGBTQ+ History Month is a month-long celebration that occurs in October to observe lesbian, gay, bisexual, transgender, and queer history. It also honors the history of gay rights. LGBTQ+ History Month was first celebrated in the United States in 1994, centering National Coming Out Day, which occurs annually on Oct 11th. This celebratory month was originally known as Lesbian and Gay History Month, and additional identity acronyms were added over time to increase inclusivity of LGBTQ+ communities. GLSEN coloring book features leaders and groundbreaking events in American history that highlight people with LGBTQ identities. Download the full coloring book in [color](#) or [black and white](#). LGBTQ leaders and events are featured in the book.

National Coming Out Day - Oct 11th: Every year on National Coming Out Day, we celebrate coming out as lesbian, gay, bisexual, transgender or queer (LGBTQ). **National Coming Out Day**
This year marks the 32nd anniversary of National Coming Out Day!

Thirty-two years ago on the anniversary of the National March on Washington for Lesbian and Gay Rights, we first observed National Coming Out Day as a reminder that one of our most basic tools is the power of coming out. One out of every two Americans has someone close to the who is lesbian or gay. For transgender people, that number is only one in 10.

Coming out – whether it is as lesbian, gay, bisexual, transgender or queer – **STILL MATTERS**. When people know someone who is LGBTQ+, they are more likely to support equality under

the law.

MEETINGS IN THE TIME OF COVID

RIVER OF GRASS COVID-19 TEAM RECOMMENDATIONS TO THE BOARD: February 2021 Meetings in the Time of the COVID

The CDC has released guidelines which allow meetings of fully-vaccinated** people. <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>

This meeting protocol has been developed and can be found on our web (RiverofGrassUU.org/teams-committees--small-groups.html). Contact Susan Juncosa at COVIDteam@riverofgrassuu.org for more information.
