ChildNet has been chosen by the Florida Department of Children & Families to serve as the Community Based Care

(CBC) lead agency in both Broward and Palm Beach Counties. As such, it is the single private non-profit entity responsible for managing the local system of services and supports for the communities' most vulnerable children. Their system of care was developed with extensive input from local stakeholders and its effective implementation depends upon their continued support.

8th Principle Adoption - WHAT IS BELOVED COMMUNITY IF IT DOESN'T INCLUDE EVERYONE?

“These hard times we endure together now are not new in the passages of human history – they are new only to some of us. Yes – only to some of us – for the black, brown, poor, queer and others among us, they are nothing new even now. And it's not that our system is broken. No... actually, our system is working exactly as it was designed – to keep power and wealth in the hands of the few, while too many go hungry ... in body and in spirit. Things have not been getting worse, they have been getting revealed.”

Rev. Amy Carol Webb

“We, the member congregations of the Unitarian Universalist Association, covenant to affirm

and promote: journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions."

The adoption vote of the 8th Principle will be held on May 15, 2022 at the Congregational Annual Meeting. In the meantime, the 8th Principle Team will be bringing forward historical perspectives and conversations through films, books and discussions that have been more recently revealed due to the killings and incarceration of Black citizens. White supremacy affects all parts of our society. We are excited to begin this work!

Members of the Team are Lou DeSantis, Rita Cherubini, Tanya Gustafson and Steve Jens-

Capital Campaign Contributions

Our Future Home Search Team is diligently looking for our new home. There are many ways we can go, either find an existing church, find a building we can use and build out to suit our needs, or even purchase property and build our church ourselves.

We need your help in order to be better prepared when the right opportunity presents itself. Those of you who made your pledge during our campaign last fall, thank you for your commitment. We have received about 65% of the total amount pledged. And a matching gift of \$25,000. In order to get a handle on our finances, we would like to know when you plan to complete your contribution.

MEETINGS IN THE TIME OF COVID

RIVER OF GRASS COVID-19 TEAM RECOMMENDATIONS TO THE BOARD: updated

November 4, 2021

This is a living document that will be regularly reviewed and updated.

River of Grass COVID-19 Re-Emergence Team is monitoring Broward County's risk level of transmission. The level of risk used by the River of Grass UU Congregation shall be as measured on [Broward County, Florida \(FL\) - COVID Vaccine & Risk Tracker - Covid Act Now](#). Risk levels are **low**, **medium**, **high**, **very high**, and **severe**.

In-person/hybrid Worship services, large group concerts, fundraisers, other large events (with 50 or more participants) shall occur while the COVID risk is at low, medium, or high levels. According to the Updated Gathering Guidance from UUA.org, "In areas where transmission risk is very high or severe, suspend all large in-person (indoor and outdoor) gatherings such as worship, concerts, or fundraisers." As such, in-person worship services and other large gatherings shall be suspended if the level of risk for Broward County is and has been very high or severe for two or more weeks. The level of risk, as reported on the COVID Act Now website, will be monitored by the Re-Emergence Team, which will alert the Board and Worship Team if the risk level changes to or from very high or severe and stays at that level for two weeks.

Further, all attendees of in-person gatherings, small or large, are strongly encouraged to be vaccinated as possible based on eligibility by age. Vaccination or recent negative COVID test is strongly encouraged for in-person gatherings. Facial coverings/masks are required for large indoor in-person gatherings and strongly encouraged for other groups to protect the most vulnerable, including unvaccinated babies and young children. Small groups are encouraged to set-up and enter into their own covenants, using the guidance herein, regarding COVID-19 safety procedures.

If protocols at rental facilities are more restrictive, their guidelines will be followed.
