## Faith Development: No Children's Programming - Sunday after Thanksgiving

Our children and youth are excited to meet in person this coming Sunday! Our Faith Development Team has some fun activities planned for the younger groups, on the beautiful outdoor patio, while the worship service takes place indoors. We'll create joyful cards for our Angel Tree gift recipients, learn about the UU holiday of Chalica, and just have fun getting to know each other better. For those families who attend our online classes, the December bags will be available for pick-up. Our teens will have their own cozy space indoors where they can watch and discuss the worship service together. Everyone will be masked, and we will celebrate the receiving of our vaccines !If you'd like more information about our program, please contact our Director, Karen Gonzalez at [ReligiousEducator@RiverOfGrassUU.org](mailto:ReligiousEducator@RiverOfGrassUU.org).

## *Chalica begins on Monday, the 6<sup>th</sup> of December:*

This week-long UU holiday is a time for us to study, honor and celebrate our seven Unitarian Universalist principles. Those who celebrate Chalica spend each day reflecting on one principle and putting it into practice through their words and deeds. Each night of Chalica, a chalice is lit and one Principle is represented through food, discussion and/or activities. For example, the first night honors our First Principle, where we affirm and promote the inherent worth and dignity of all people. Tonight's meal could include everyone's favorite food – no judgement, just enjoy! Take some time to let the people you love be reminded of that. Then, find some common ground with someone whose ideas challenge you. You may want to gather with a UU friend or two during the week to help you celebrate. There are even several Chalica songs which could be sung. Find them on YouTube! **Happy Chalica everyone!**

### ***Project Angel Tree supporting ChildNet:***

To my River of Grassers: You are truly the loving, giving, kind people you have always been. Every year we adopt children from ChildNet. The Broward County Foster Care Program and every year you all rise to the occasion. All 50 kids have been "Santa-fied". Please remember to get the gifts to my home at 1975 SW 101st Ave, Davie, FL 33324 ASAP. Wrapped and tagged if possible. A happy time is had by all... the givers and the receivers. Thank you! ~ Marilisa Lawless

To find out more about ChildNet please check out their website: <https://www.childnet.us/>

ChildNet has been chosen by the Florida Department of Children & Families to serve as the Community Based Care

(CBC) lead agency in both Broward and Palm Beach Counties. As such, it is the single private non-profit entity responsible for managing the local system of services and supports for the communities' most vulnerable children. Their system of care was developed with extensive input from local stakeholders and its effective implementation depends upon their continued support.

## **8<sup>th</sup> Principle Adoption - WHAT IS BELOVED COMMUNITY IF IT DOESN'T INCLUDE EVERYONE?**

The White Race Was Invented. Here is how it happened:

### **Speaking of Race: And Why Everybody Needs To Talk About It – And How To Do It**

Celeste Headlee

A self-described “light-skinned Black Jew,” Celeste Headlee has been forced to speak about race—including having to defend or define her own—since childhood. In her career as a journalist for public media, she’s made it a priority to talk about race proactively. She’s discovered, however, that those exchanges have rarely been productive. While many people say they want to talk about race, the reality is, they want to talk about race with people who agree with them. The subject makes us uncomfortable; it’s often not considered polite or appropriate. To avoid these painful discussions, we stay in our bubbles, reinforcing our own sense of righteousness as well as our division.

###

*“We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote: journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.”*

The adoption vote of the 8th Principle will be held on May 15, 2022 at the Congregational Annual Meeting. In the meantime, the 8th Principle Team will be bringing forward historical perspectives and conversations through films, books and discussions that have been more recently revealed due to the killings and incarceration of Black citizens. White supremacy affects all parts of our society. We are excited to begin this work! Members of the Team are Lou DeSantis, Rita Cherubini, Tanya Gustafson and Steve Jens-Rochow. More information to come! Questions? Reach out to: [8thPrincipleTeam@RiverofGrassUU.org](mailto:8thPrincipleTeam@RiverofGrassUU.org).

**Capital Campaign Contributions**

Our Future Home Search Team is diligently looking for our new home. There are many ways we can go, either find an existing church, find a building we can use and build out to suit our needs, or even purchase property and build our church ourselves.

We need your help in order to be better prepared when the right opportunity presents itself. Those of you who made your pledge during our campaign last fall, thank you for your commitment. We have received about 65% of the total amount pledged. And a matching gift of \$25,000. In order to get a handle on our finances, we would like to know when you plan to complete your contribution.

With gratitude and hope, Your Capital Campaign Team. **MEETINGS IN THE TIME OF COVID**

**RIVER OF GRASS COVID-19 TEAM RECOMMENDATIONS TO THE BOARD: updated  
November 4, 2021**

*This is a living document that will be regularly reviewed and updated.*

River of Grass COVID-19 Re-Emergence Team is monitoring Broward County’s risk level of transmission. The level of risk used by the River of Grass UU Congregation shall be as measured on [Broward County, Florida \(FL\) - COVID Vaccine & Risk Tracker - Covid Act Now](#). Risk levels are **low**, **medium**, **high**, **very high**, and **severe**.

In-person/hybrid Worship services, large group concerts, fundraisers, other large events (with 50 or more participants) shall occur while the COVID risk is at low, medium, or high levels. According to the Updated Gathering Guidance from UUA.org, “In areas where transmission risk is very high or severe, suspend all large in-person (indoor and outdoor) gatherings such as worship, concerts, or fundraisers.” As such, in-person worship services and other large gatherings shall be suspended if the level of risk for Broward County is and has been very high or severe for two or more weeks. The level of risk, as reported on the COVID Act

Now website, will be monitored by the Re-Emergence Team, which will alert the Board and Worship Team if the risk level changes to or from very high or severe and stays at that level for two weeks.

Further, all attendees of in-person gatherings, small or large, are strongly encouraged to be vaccinated as possible based on eligibility by age. Vaccination or recent negative COVID test is strongly encouraged for in-person gatherings. Facial coverings/masks are required for large indoor in-person gatherings and strongly encouraged for other groups to protect the most vulnerable, including unvaccinated babies and young children. Small groups are encouraged to set-up and enter into their own covenants, using the guidance herein, regarding COVID-19 safety procedures.

If protocols at rental facilities are more restrictive, their guidelines will be followed.
