WEEKLY EMAIL INSERT [Due Wednesday Noon to Steve]:

Theme: Interdependence

Title: Interfaith, Interdependent

Quote: “The only way to get it together, is together!”

Description: We need one another – in families, in the natural world, in our very lives, we cannot tough things out alone. We thrive only by giving and receiving help.

Perhaps the Divine actually emerges from this interdependence. Greater even than interdependence, the challenge of inter-loving can build a foundation of the world we envision.
