

On-line Volunteer Opportunities

Zooniverse

<https://www.zooniverse.org>

Help researchers across the globe collect data for thousands of projects across hundreds of disciplines.

Smithsonian Transcription Center

<https://transcription.si.edu/>

Help transcribe images of the Smithsonian Institution's thousands of historical documents to make them more accessible to researchers and the public.

UN Online Volunteers

<https://www.onlinevolunteering.org/en>

Get connected with nonprofits around the world looking for help with editing, research, art, marketing, and more.

Amnesty International Decoders

<https://decoders.amnesty.org>

Collect and analyze data, including social media posts, pictures, and news articles, to help expose human rights violations around the world.

Translators Without Borders

<https://translatorswithoutborders.org/volunteer/>

If you know more than one language, help translate everything from medical texts to crisis response information. For monolinguals, help with project managing, web design, or other activities.

Project Gutenberg

https://www.gutenberg.org/wiki/Gutenberg:Volunteering_for_Project_Gutenberg

Proofread transcriptions, transcribe yourself, or hunt for new books to digitize.

Be My Eyes App

<https://www.bemyeyes.com>

Help blind and vision impaired people identify objects using voice chat and camera in this app.

eBird

<https://ebird.org/home>

If you can get outside and find some birds, add their locations to eBird to share the data with ornithologists around the world to aid in conservation efforts.

Librivox

<https://librivox.org/pages/volunteer-for-librivox/>

Record yourself reading public domain books to turn into freely available audiobooks. Maybe even listen to some books!

Vocalid VoiceBank

<https://vocalid.ai/voicebank/>

Add your voice to the English Voice Bank to help improve voice recognition software, research, and voice production software.

Harvard Implicit Bias Studies

<https://implicit.harvard.edu/implicit/>

Help researchers at Harvard gain more data to improve research on how implicit bias affects decision making.

Table Wisdom

<https://www.table-wisdom.org/join-us>

Help immigrants to America, particularly international college students, develop a greater understanding of English and American culture through weekly video chats. Plus, make a friend!

VolunteerMatch

<https://www.volunteermatch.org>

Find digital volunteering opportunities through the search function on this acclaimed volunteer search website.

YouTube Closed Captioning

<https://support.google.com/youtube/answer/6054623?hl=en>

Submit closed captions for your favorite YouTube videos to improve accessibility. It's easier than you think; simply edit the pre-existing auto generated captions for accuracy.
