Imagination – The Fifth Dimension

“You unlock this door with the key of imagination. Beyond it is another dimension: a dimension of sound, a dimension of sight, a dimension of mind.”

- Rod Serling

“There is a fifth dimension, beyond that which is known to man. It is a dimension as vast as space and as timeless as infinity. It is the middle ground between light and shadow, between science and superstition... This is the dimension of imagination. You're traveling through another dimension -- a dimension not only of sight and sound but of mind. A journey into a wondrous land whose boundaries are that of imagination.” (Introduction to the Twilight Zone).

Join us this Sunday as Ed Lewis explores the life and times of Rod Serling – an American screenwriter and television producer best known for his television series “The Twilight Zone’ - another UU hero!

Come as you are at 10:30 this Sunday morning – either in-person at our new location in Davie (info below) or virtually on Zoom and Facebook Live. Come a bit before and we can chat prior to the service. We'll be watching for you!
